

About Us-

"Midas" is an initiative by Thinksharp Foundation to provide access to learning content in digital format. Thinksharp Foundation is a non-profit organisation working to improve the quality of education in rural schools through the project **"StudyMall"**.

Under project StudyMall, we work with school authorities, parents, village committee and with other partners to transform village schools into modern schools by deploying physical and digital tools.

Our Activities/Programs in schools are:

- Physical upgradation
- Solar Power
- Library
- Digital Learning
- Computer Education
